

Colin Dale Park Raceway Rider Declaration

I confirm that:

- I fully understand the Event Safety Briefing and Raceway rules.
- I understand that riding a PEV on the Raceway is an adventure activity with inherent risks due to falls, collisions, and other hazards, risks which the Colin Dale Raceway and Event Organiser Atomic EV both strive to minimise but which cannot be completely eliminated.
- I agree to only ride within my abilities on the Raceway and have ensured I am wearing all appropriate protective gear.
- I will not ride in any manner which may put other participants, officials, spectators or the Raceway facility at risk.
- To the extent allowed by New Zealand law, I accept responsibility for my use of the Raceway and agree to indemnify the Colin Dale Raceway Trust, the Event Organiser Atomic EV Limited, and any Event volunteers against any claims, losses, damages, liabilities or costs arising from the Raceway Event.
- The PEV(s) I will ride is mechanically sound, its battery is undamaged and I have disclosed any known defects to the Event Organiser.
- I will comply with all Event Organiser and Marshal directions.
- I will report any hazard or incident immediately.
- If I feel unsafe at any time on the Raceway I will stop riding and report my concerns to the Event Organiser immediately.
- I have no impairment which may impede my ability to correctly operate the PEV(s) nor am under the influence of alcohol, medication or other drugs.
- I have no medical condition which may put myself or others at increased risk on the Raceway.
